EXPERIENCE

NOV 2020 – FEB 2021

INTERNSHIP | IBM – MASTER DATA MANAGEMENT

My Tasks at the MDM Dev Team were the configuration of CI/CD pipelines for several projects, as well as testing the new IBM Code-Engine service.

JUN 2020 – SEP 2020

INTERNSHIP | IBM WATSON CENTER MUNICH

At the Department of WoW! Dev Team at the IBM Watson Center in Munich I developed a trustful visualization for a swarm intelligence algorithm. Within this project I also wrote a scientific paper about trustful visualizations.

JAN 2020 – MAR 2020

INTERNSHIP | IBM DIGITAL SALES

In my first Internship at IBM, I developed a data analytics dash board which uses the IBM Natural Language Processing Services. I also maintained other NLP Projects.

EDUCATION

EXPECTED OCT 2022

BACHELOR OF SCIENCE | DUALE HOCHSCHULE BADEN-WÜRTTEMBERG

Cooperate Internship at IBM. German 'Duales Studium'

JUN 2019

ABITUR | HUMBOLDT GYMNASIUM BERLIN

German Highschool Graduation – Grade: 1.4 - Points: 757 of possible 900

QUALIFICATIONS

- Full-Stack Web-Development
- Kubernetes & Cloud-Development
- Basics of Project Management
- Machine Learning & AI

ACTIVITIES

In my Childhood I played Handball and Football in a Club. I also fenced for five years. Today I still play football in my free time with friends. I played chess in my second schools' chess-club and today still with my brother. Besides sport I love Physics and politics.
